## **What is this program, and why do we have it?**

By being visible in our localities, the Community Service program demonstrates who we are, what we do, and why we matter. Community Service and the 2017-2022 ALA Centennial Strategic Plan: While building community awareness of the ALA and its mission, ALA members serve as brand advocates (Goal 5) through involvement in community activities.

The Auxiliary's Community Service program is based on the premise that no organization has a right to exist within the community without giving something to that community in return. Community service helps to make our communities better places for us to live. Auxiliary members study community needs, recommend projects, raise funds and donate their time to accomplish their specific objectives. Special attention is given to the selection of each project to ensure the work of other organizations is not duplicated. Auxiliary units also aid on Community Service projects sponsored by the American Legion and work with other service organizations to implement practical, worthwhile projects for the benefit of the community. Some examples include blood drives, first aid and CPR training, child safety programs, support for women in shelters, donations for shelters for the homeless, tree planting, recycling programs, disaster and emergency preparedness programs, Adopt a Highway.

Please keep in mind there are many, many, many, activities and programs that qualify for community service hours. The list is far too long to include with this guide.

**The community service hour reporting is an important part of the Community Service report.** Included is only an example of what your unit can use to track hours. Whichever form works for you. Be sure to report monthly or after the event as it will make for an easier reporting of Mid-Year and Annual reports.

*Our National website has many links and support tools for Community Service. Log into the members only section*

*Remember it is not only what we do as a unit, as a member we should also report our community service hours for what we do in our communities as an individual.*

**If your unit submits a report for an award, please remember you must include the hours and number of participants for each activity. The hour sheet will make this an easy task when reporting time arrives.**

## Community Service

The Community Service program promotes the American Legion Auxiliary's visibility within our localities through our commitment to community, state and nation.

### What can you do?

**1. Become visible within your community as a link to the veteran community. Get involved in community service projects to bring awareness of our mission to support veterans, servicemembers, their families and the community.**

### Ideas:

#### Member

- Always wear your American Legion Auxiliary apparel or pin while volunteering in the community; it reinforces our brand promise by telling people who we are, what we do, and why we matter.
- Note:* If you are ordering anything with the ALA name or emblem from a source other than Emblem Sales, remember that a request first must be submitted through your department headquarters to National Headquarters for approval by the national secretary. Contact your unit for more information on this process.
- Reach out to local ministers and first responders to indicate your willingness to be a designated responder for veteran families in need. Be sure to keep a list of veteran resources handy so you will be ready.
- Get involved with your neighbors and those outside our Legion family by volunteering at your local library, food pantry, domestic violence shelter, senior citizen centers, assisted living centers, nursing homes.
- Represent the Auxiliary as a member of local community boards and committees.
- Volunteer with your local Meals on Wheels to deliver meals on days when they are typically closed (i.e. Christmas and Thanksgiving).

#### Unit

- Volunteer to organize or assist with your community's Veterans Day observance.
- Organize and participate in service projects for veterans, servicemembers, their families and local community programs on ALA suggested days of service.
- Register service projects on websites, community forums and social media to attract other community members to participate in your service projects.
- Volunteer for local service projects and causes (walks, special events, etc.). Work with your post home to offer space and their participation in local service projects and causes.
- Sponsor and participate in activities at local libraries, senior citizen centers, assisted living centers, nursing homes, service projects and causes (walks, special events, etc.).

- Attend and represent the Auxiliary at special celebration events in the community such as holiday parades, grand openings of community facilities and community leader recognition ceremonies.

### **Department**

- Assist units and members with specific idea plans outlined above.
- Encourage members of your department to be leaders in their communities by including photos and stories from unit events in your department newsletter.

### **Community Service Reporting\***

#### Mid-Year Reports

Mid-Year reports reflect the program work of units in the department, and are intended as an opportunity for mid-year correction. Each department Community Service chairman is required to submit a narrative report to the division Community Service chairman, plus copy the national Community Service chairman.

#### Year-End Reports

Annual reports reflect the program work of units in the department, and may result in a national award for participants if award requirements are met. Each department Community Service chairman is required to submit a narrative report to the division Community Service chairman, plus copy the national Community Service chairman. Members and units should follow their department's protocol and deadlines.

*\*For deadlines and contact information, please consult the Annual Supplement to the 2017-2022 Programs Action Plan or visit the Community Service Committee page on the national website, [www.ALAforVeterans.org](http://www.ALAforVeterans.org).*

- Did members volunteer for or organize service projects for any of the ALA suggested days of service? If so, which days were most successful for offering service projects? Did you have any challenges?
- What types of community service activities and/or projects were done in your department?
