

COMMITTEE APPOINTMENT WORKSHEETS

It's that time of year again, when we look forward to hearing from you as to whether you would like to take on the added commitment of being on a Department committee for the upcoming membership year.

Many of you responded last year and filled out Committee Appointment Worksheets so that it would be possible for the incoming Department President to fill all the many Department committees. Due to the Covid-19 pandemic, the leadership of the Department did not change as we were not able to hold a Department Convention. This year we are hoping that we will be able to do so.

The Department office has kindly put the Committee Appointment Worksheets on the Department website and I am looking forward to hearing from many of you in the hopes that you will consider taking on an appointment this coming membership year. Those of you who submitted an application last year, I still have your requests. However, I do realize in this year of uncertainty that things may have changed. I hope that you will still be willing to serve on a Department committee. If not, I hope that you will let me know.

To those of you who never submitted or would like to serve on committee, I would love to hear from you. Please contact me as there are many slots to fill and it is a great learning experience. You can either fill out the form and mail to me, or e-mail me at rdubay1@aol.com with your request.

I look forward to hearing from all of you and working with everyone in the 2021-2022 membership year.

RE: **DEPARTMENT COMMITTEE APPOINTMENT WORKSHEETS**

The first duty of the new Department President is the preparation of the program for the year and appointing committee chairmen and members to carry out the work of the Department.

The attached sheets are to be used for recommending members of your District you feel are qualified to accept a position on a Department Committee. A worksheet for committee appointments and worksheets for special positions are enclosed. Make copies if necessary. Please fill these out carefully, being sure that the people you are recommending have been contacted and have the interest *and* ability to do a good job in the position you are recommending them for. **PLEASE RETURN THE SHEETS TO THE INCOMING PRESIDENT BY JANUARY 17, 2021.** You may recommend more than three members. Just make copies of the form or use a blank sheet of paper and include all the information that is requested on the printed form.

TO THE 2020-2021 DISTRICT PRESIDENTS:

Be sure to use one worksheet for your personal use. Because of your experience as a District President this year, I might like to use your services in some capacity in the year ahead. Please use one of the worksheets to let me know your interest and capabilities.

As you know, there are a limited number of appointments. All names that are submitted will be given careful consideration.

Thank you for your cooperation and assistance,

Mary Dubay
