

Happy Holidays

From the American Legion Auxiliary Department of Michigan

Wishing you all the best the holiday season has to offer. May this season bring you peace and joy that lasts throughout the year. As we continue to create ways to work our mission together during this challenging year, let us keep our Veterans and their families in our prayers; always remembering President Lincoln's promise to care for our Veterans, their children, and their families. May God Bless each and every one of us.

Georgia Downs, Department President

While we are separated this year from those whom we hold dear, let us remember the true meaning of Christmas. This holiday season, let us be grateful for life's simple blessings, and look forward to a new year filled with hope, health, kindness, peace, and prosperity for all. Wishing you a Christmas that is filled with the special warmth of the season and praying for a new year when we will all be able to gather and continue our work for our Veterans, their families, and our communities.

Mary Dubay, First Vice-President

My wish as we come to the close of this challenging year is that we keep the joy and true meaning of the holiday season in our hearts not only today but every day. As we safely celebrate in different ways this year, may we be grateful for our Veterans and those who still serve to give us the freedoms we enjoy. May the new year bring us hope, health, and the ability to gather once again with friends and family.

Marcy Jorae, Second Vice-President

May all of our Veterans both present and past along with their families have a very happy holiday, and health for the new year. To the Veterans serving in the U.S.A. or overseas, I hope also your holidays are joyous ones filled with love, laughter, and hope for the coming year. To everyone, I wish you a very happy holiday season and a very healthy and prosperous new year! Please be safe and stay healthy!
