It is that time of year when we look forward to hearing from you as to whether you, or someone you know, would like to take on the added commitment of serving on a Department committee for the upcoming membership year.

The attached sheets are to be used for recommending members of your District you feel are qualified to accept a position on a Department Committee. An incoming Department President obviously cannot know the qualifications of every member in the state, so your help is needed in this capacity.

Additional worksheets, if needed, can be printed from the Department website (www.michalaux.org). Please fill these out carefully, being sure that the people you are recommending have been contacted and have the interest and the ability to do a good job in the position for which you are recommending them. **PLEASE RETURN THE COMPLETED SHEETS TO THE INCOMING PRESIDENT BY JANUARY 31, 2022.** You may recommend as many members as you choose.

2021-2022 DISTRICT PRESIDENTS:

If you will not be continuing as District President in the 2022-2023 year, please fill out a sheet for yourself, letting me know your interests and capabilities. Your experience as a District President this year will make you a valuable asset in the year ahead.

All committee positions are open for consideration, with the exception of the Chairmen for Legislative and National Security, as those positions are held by the 1st and 2nd Vice-Presidents respectively. A list of the positions and how many members is available in this packet and on the website.

If you have any questions, please do not hesitate to contact me – by email, text or phone call. If I am not available, please leave a message and I will return your call.

Thank you for your cooperation and assistance.
