Dear ALA Department of Michigan Units,

At the 2021 Department Convention in Sault Ste. Marie, Michigan, it was voted to adopt a Resolution that changes how Mandatory Dues are collected from ALA Department of Michigan Units.

In an effort reduce the burden of a unit to send in one large payment, and to create efficiency and reduce costs, we will no longer be invoicing units once per year to collect Mandatory Dues. The cost of Mandatory Dues averages out to \$5.50 per member. That \$5.50 is being added to Department's share of dues.

Instead of the unit collecting the \$5.50 in Mandatory Dues to send to Department in the Fall, it is more efficient and less cumbersome for Department to collect the funds directly.

This change results in Department's portion of membership dues to equal \$13.50. National's portion remains at \$12.00. The total amount per Senior member that will be submitted to Department is \$25.50. This change goes into effect beginning with the 2023 dues year. Please be careful when calculating dues for your Unit. Make sure enough funds are collected to cover yearly expenses.

The new 2023 Transmittal Form will be made available on the website and also in carbon copy format.

Brandy A. Nelson

Executive Director / Secretary / Treasurer
