

## ***DONATION POSSIBILITIES***

***Verified as of 7/15/2021***

Our American Legion Auxiliary members and Units are the most generous people in the world. Our donations impact so many individuals and families- our active-duty military, veterans, their families, our schools, the children of our communities and the breath of our communities as a whole. As we plan our projects, please work to keep your donations as close to home as possible. By doing so, we build our organizational brand and enhance our reputation in the community.

There are also a number of statewide and national organizations which also support the Mission and values of the American Legion Auxiliary. It is your decision if you wish to donate to these entities. All of the attached organizations accept donations online. We will be providing websites and street addresses as available. Please visit the websites before donating to learn more about the organization as well as to be sure this is something your Unit wants to support.

***This document does not endorse donations to any organization not directly connected to the Legion family.*** Please keep in mind, the American Legion Auxiliary is non-political. Do not use Auxiliary funds to support any political candidate or cause.

For the donation forms included for some of the organizations, make sure you maintain an original, blank copy for future use.

Wreaths are currently \$17.00 each or 5 for \$85.00 . They can be ordered on the website. Check the website for a participating Cemetery near you, or if there is none, it is possible for the Auxiliary Unit to become a coordinator for your local cemetery. You may also designate one of Michigan's 2 National Cemeteries- Ft. Custer in battle Creek or Great lakes in Holley. Both are always in need of additional wreaths.
