

The American Legion Auxiliary, Department of Michigan, Girls State Committee, proudly announces their 83rd ALA Girls State program, an amazing week of learning focused on responsible citizenship and leadership, that will be held on the campus of Michigan State University June 23 to June 29, 2024.

Who can attend?

This weeklong event is a once-in-a-lifetime opportunity for female high school students who have completed their junior year in high school and have at least one more semester remaining before graduation.

What is it about?

Michigan ALA Girls State provides participants with a firsthand experience and insight into how their state government and judicial system works. The delegates are a diverse group with a shared desire to learn and lead. ALA MI Girls State "citizens" come together from small towns, big cities, and rural areas to learn how to run their own state... "ALA MI Girls State"! The citizen's varied backgrounds set the stage for a week of spirited, experiential learning. The citizens connect with their peers from across the state, allowing a unique opportunity to spend time with others who share common interests and those who have different perspectives from their own experiences. They leave our program with a deeper understanding of government, a renewed sense of patriotism, and an appreciation for our veterans.

How can I apply?

You can visit our webpage at www.michalaux.org, click on [ALA Girls State](#) from the menu where you will find the links below. In addition to the links, you can watch a short video about ALA Girls State and TAL Boys State and look over other informative documents to learn more about our program.
