2025 MICHIGAN AMERICAN LEGION AUXILIARY GIRLS STATE

What is it about?

The American Legion Auxiliary (ALA) Michigan Girls State program is an amazing week of learning, focused on responsible citizenship and leadership. It provides participants with a firsthand experience and insight into how their state government and judicial system works. The students are a diverse group with a shared desire to learn and lead. ALA MI Girls State "citizens" come together from small towns, big cities, and rural areas to learn how to run their own state, known as ALA MI Girls State! The citizen's varied backgrounds set the stage for a week of spirited, experiential learning. The citizens connect with their peers from across the state, allowing a unique opportunity to spend time with others who share common interests and those who have different perspectives from their own experiences. They leave our program with a deeper understanding of government, a renewed sense of patriotism, and an appreciation for our veterans.

Who can attend?

This weeklong event is a once-in-a-lifetime opportunity for female high school students who will complete their junior year in high school in the spring of 2025, and have at least one more semester remaining before graduation.

When and where? The 84th session of the American Legion Auxiliary, Department of Michigan, Girls State program is scheduled for June 22 to June 28, 2025, on the beautiful campus of Michigan State University.
