

PAST PRESIDENTS PARLEY GUIDE 2025-2026

Past Presidents' Parley Committee:

Chairman: Mary Dubay 922 Huntington, Mt. Clemens, MI 48043

Mission:

The Mission of the Past Presidents Parley Committee is to utilize the experience and knowledge of past Auxiliary Leaders for the training and encouragement of future Auxiliary Leaders. Through the Past Presidents Parley Committee, the women and men who have served as Unit, Department, and National Presidents can continue in active service to the Auxiliary to help ensure a strong leadership future for the organization. The Past Presidents Parley also recognizes a Past President by remembering all that they did during their year.

Organizing New Parleys and Sharing Knowledge:

Sometimes, the most valuable resources in our great organization are often overlooked. They are "Our Past Presidents". Through the Past Presidents Parleys, they can contribute to the organization with their knowledge and opportunity to help organize new Units and District Past Presidents Parley committees. Encourage all your Past Presidents to get involved. Give them a job to do and ask them to be as active as possible. They are more than willing to share the knowledge and wisdom they have learned over the years. We all need to encourage innovative ideas. If we fail, we fail, but we try again. We all need to be role models who adhere to all the important documents of our organization: Constitution & Bylaws Standing Rules, Roberts Rules of Order, Unit Handbook, and Parliamentary Procedures.

Membership:

As a Past Department President, we know first-hand how exciting it is to reach membership goals and see the continued growth of our organization. The honor of being a member of this great organization is a wonderful privilege and a terrific way to help others. As Past Presidents, we can offer our assistance within our Units, Districts, and Department to help our membership grow. Try offering a reward to any Past President that signs up a certain new number of new members or for mentoring new members this year. This will help your membership as well as your Unit.
