

**American Legion Auxiliary  
Department of Michigan  
Leadership Program  
2025-2026**

**“Leadership is the 8<sup>th</sup> wonder of the world”.**

**It inspires others to believe and enables that belief to become reality. It motivates, encourages, and brings out the very best in people. Let’s be this kind of leader this year!**

## **Leadership Program:**

The American Legion Auxiliary is an organization that provides both Junior and adult members, the opportunity to develop and hone their leadership skills. Our organization depends upon an ever-emerging stream of competent new leaders, trained, and guided by experienced ones, to assume leadership within the Auxiliary and advance its mission long into the future.

Most leaders are not born. They are made. In addition to leadership qualities such as integrity, vision, and the ability to communicate effectively, a good leader knows as much as possible about the organization they are leading, has a passion for the work, and has mastered basic skills such as parliamentary procedure. Every member is encouraged to enhance their membership by expanding their knowledge of the organization. The Auxiliary Basics Course is designed and available for any member in good standing.

Recognizing that to continue to maintain a viable organization to carry out the mission of serving veterans, active military and their families, our children and youth as well as our communities, we must work to train and mentor our members to be the future leaders of our organization.

The Auxiliary offers various opportunities for members to serve in leadership roles, from chairing a short-term community service project at the unit level to running for a national office.
