2025 Education Program 2026

Purpose:

The Education Program promotes the American Legion Auxiliary's role in providing quality education for children and adults through classroom activities, literacy programs, scholarship promotion, and support of education beyond high school, with a special emphasis on children of veterans and service members.

Key Program Statements:

- To promote quality education for all children, especially for military children, and adults.
- To encourage schools to invite veterans to speak in their classrooms
- To provide scholarships for students who desire a college education
- To support legislation that establishes new scholarship opportunities
- To support the Education program and scholarship opportunities of The American Legion

School & Community Programs

Members/Units get involved with your local schools, whether they are public, charter, parochial or even online. "It takes a village" to raise a child. Most teachers could use a helping hand. Check if there are teacher "wish lists." Consider donating books to school and public libraries. Find a vet who would like to share their knowledge with schoolchildren.

Other Ways to be part of the Education Program

- Share our Scholarship opportunities wherever you can.
- Veterans in Community Schools

An American Legion Family program that brings history to life as local veterans tell students about their experiences in the military. They may also share how to help a family of a deployed military service member, how to support the troops, proper respect for the flag, why the American Legion was formed, etc. Steps for organizing a Veterans in Community Schools activity visit: legion-aux.org/veterans-in-community-schools.

Give 10 To Education

- Participate in the Give 10 to Education Program by purchasing items to distribute to schools.
- Place a poster with a collection box at local sites (i.e., grocery stores, banks, senior centers, post office or even your Post Home). Invite all to donate & thank them for their donations.
- School supplies are needed all year long, not only in the Fall.

Save Box Tops for Education

- If your package has a traditional Box Top, clip it off and send it/deliver it to a school- make sure it has a valid expiration date.
- If your package has the new Scan label, just use the New Box Tops app to scan your store receipt within 14 days of purchase. The app will find participating products instantly & add Box Tops to your school's earnings online. Additional details @ <https://www.boxtops4education.com>
