VACANT – Contact Candie Chase

Welcome to the 2026-27 membership year. The Department membership team invites you to join in the fun celebrating and growing our organization. Our mission is for every Unit in the Department of Michigan to achieve goal membership by July 4, 2027. The Area Membership Chairs will be working closely with District Presidents and District Membership Chairs to accomplish our goals. They are an excellent group of members who will offer assistance to help with membership and ALAMIS questions.

Questions regarding eligibility, transfers, and forms should be directed to your District Membership Chair/President. If they are unable to assist you, they should contact your Area Chair. **Please remember that general membership questions should NOT be directed to the Department Headquarters staff.**

This year's membership theme will be focused on being strong, kind, and to Love.

Strong Like a Polar Bear 🐻 Kind Like a Purple Heart 💜 Bound Together by Love ❤️

The Districts (Polar Bears) and the Units (consisting of Cubs) will work diligently on increasing and retaining their members. Besides the usual Department awards, there will be two additional ones for the Polar Bear and Cubs that have the highest percentage of goal by 30 days before Department Convention. So, get those Polar Bears and Cubs on the move!

## **UNIT LEADERSHIP ROLES**

It is very important that your leadership roles/contact information are up to date and accurate. Incorrect information leads to lost mail, missed information and unreturned phone calls. If you have access to ALAMIS, using Unit tab- Edit Unit Information, verify that the mailing address is correct and that the contact information is current. Also verify that the Leadership Roster is up to date. If you do not have access to ALAMIS send the information via email: [info@michalaux.org](mailto:info@michalaux.org).

## **FROM THE ALA DEPARTMENT OPERATION GUIDE**

As a membership-driven, nonprofit patriotic service organization, the American Legion Auxiliary could accomplish very little without its members and their individual dedication to our mission. The very fact that we have over 500,000 members carries tremendous influence and clout as we lobby for veterans' issues along with the rest of the Legion Family. Through our various programs, our dedicated members impact the lives of veterans, military, and their families, as well as the public. The future of the ALA and the continuation of our great works depend on our ability to recruit and retain members. In short, without our members, the ALA could not exist.

## **RESOURCES**

Forms and membership materials are available on the American Legion Auxiliary Department of Michigan website ([michalaux.org](http://michalaux.org)) under the FORMS tab and the ALA National website ([legion-aux.org](http://legion-aux.org)).

## **TRAINING**

There is a video presentation of "Paperwork 101" that Department Headquarters staff created as a membership resource for Districts and Units. It explains how to properly fill out the Transmittal Form, Transmittal List, Membership Application, Member Data Form and the ALAMIS Access Form. The video is on the Departments website at [www.michalaux.org](http://www.michalaux.org).

There are also how-to videos on ALAMIS on the ALA National website at [www.alaforvets.org](http://www.alaforvets.org).

## **FACEBOOK**

Please join the National Membership Facebook page (American Legion Auxiliary National Membership Group) to become aware of frequent updates and reminders. There are also good ideas that you can use for your own membership recruiting.

## **MEMBERSHIP ELIGIBILITY**

At the 2026 American Legion National Convention, delegates adopted new membership eligibility language for the American Legion Auxiliary-expanding eligibility and allowing more family members to join the ALA. The Legion has authority over the ALA's membership

eligibility; this language change allows more people into our organization, strengthening our ability to better serve our Veterans, military, and their families.

The following is the updated text from TAL that reflects the updated eligibility provisions for members in the ALA:

## **OFFICIAL LANGUAGE:**

Section 2. Membership in the ALA shall be limited to:

1. grandparents, parents, siblings, spouses, and direct or adopted descendants within two degrees of consanguinity of members of The American Legion; and
2. grandparents, parents, siblings, spouses, and direct or adopted descendants within two degrees of consanguinity of all servicemembers who served in either of the following periods: April 6, 1917, to November 11, 1918, and any time after December 7, 1941, who, being a citizen of the United States at the time of their entry therein served on active duty in the Armed Forces of any of the governments associated with the United States during either eligibility periods and died in the line of duty or after honorable discharge;
3. grandparents, parents, siblings, spouses, and direct or adopted descendants within two degrees of consanguinity of all servicemembers who were in the Armed Forces of the United States during either of the following periods: April 6, 1917, to November 11, 1918; and anytime after December 7, 1941, who served on active duty in the Armed Forces of the United States during either eligibility period and died in the line of duty or after honorable discharge;
4. to those women who of their own right are eligible for membership in The American Legion.

The revisions to the ALA's eligibility mention above allow individuals the potential to be members of both the Sons of The American Legion and the American Legion Auxiliary. The Legions's National Judge Advocate has confirmed that this dual membership does not constitute a conflict of interest with The American Legion.

The eligibility changes are effective immediately. Updated membership applications, brochures, and additional membership resources are available at [www.ALAforVeterans.org](http://www.ALAforVeterans.org).

Other factors to consider when determining membership eligibility:

1. When a request for ALA membership is based on the military service of a family member who is still living, that family member must be a current member of The American Legion.
2. When a request for ALA membership is based on a deceased Veteran, the prospective member will be asked to provide verifying documentation that proves his/her eligibility.

The following documents are acceptable to verify membership eligibility in the ALA:

- a. DD214 – Discharge Papers (not issued until after the Korean War)
- b. Official military orders
- c. Official military service citations/awards
- d. Letters related to the Veterans military service on official government letterhead.
- e. Certificate from the Veterans Affairs center in St. Louis
- f. Data from the back of older discharges

## **MEMBER RECRUITMENT AND RETENTION**

Recruiting and retaining a diverse, active membership is critical to our mission. Well into the future, Veterans will need our support and advocacy to assist them at home and abroad, during war and peacetime, to receive the attention and support they deserve.

It is important for all members of the ALA to become familiar with the tools available as we work to increase ALA's positive visibility to attract and retain members. Letting members know that their contributions are valued, along with welcoming, respectful treatment goes a long way toward creating a positive experience and an appealing environment for both current and potential members.
